STEVEN MOTT (6),	§	
	§	
Defendant.	§	

**MEMORANDUM ADOPTING REPORT AND  
RECOMMENDATION OF UNITED STATES MAGISTRATE JUDGE**

Came on for consideration the above-referenced criminal action, the Court having heretofore referred the request for the revocation of Defendant's supervised release to the United States Magistrate Judge for proper consideration. The Court has received the Report and Recommendation of the United States Magistrate Judge pursuant to its order. Defendant having waived allocution before the Court as well as his right to object to the report of the Magistrate Judge, the Court is of the opinion that the findings and conclusions of the Magistrate Judge are correct.

It is therefore **ORDERED** that the Report and Recommendation of United States Magistrate Judge is **ADOPTED** as the opinion of the Court.

It is further **ORDERED** that Defendant's supervised release is hereby **REVOKED**.

It is further **ORDERED** that Defendant be committed to the custody of the Bureau of Prisons to be imprisoned for a term of eight (8) months, with a term of supervised release of three (3) years to follow.

The Court further recommends the imposition of the special conditions set forth in the Report and Recommendation, as follows:

The defendant shall provide the probation officer with access to any requested financial information for purposes of monitoring the defendant's sources of income.

The defendant shall participate in a program of testing and treatment for alcohol and drug abuse, under the guidance and direction of the U.S. Probation Office, until such time as the defendant is released from the program by the probation officer. The defendant shall pay any cost associated with treatment and testing.

Under the guidance and direction of the U.S. Probation Office, the defendant shall participate in any combination of psychiatric, psychological, or mental health treatment as deemed appropriate by the treatment provider. The defendant shall pay any cost associated with treatment and testing.

You must reside in a residential reentry center or similar facility, in a prerelease component for a period of up to 180 days to commence immediately upon release, and you must observe the rules of that facility. Should you obtain a residence approved by the probation officer during the 180- day placement, you must be released. While at the facility, your subsistence requirement shall be waived, and you will be required to save at least 25% of your gross income for the purpose of securing a personal residence and provide verification to the probation officer.

The Court also recommends that Defendant be housed in a Bureau of Prisons facility in the North Texas area, if appropriate.

**IT IS SO ORDERED.**

**SIGNED this 6th day of December, 2021.**
